A Note from the President

While I had the pleasure of talking with many of you during our 2013 Chapter Auditions just a few days ago, I am delighted to use this newsletter as an opportunity to greet all of our NATS community as I begin serving as your President of Central Florida NATS.

Please allow me to introduce Sarah Cheatham as our new Vice-President and to thank Jeremy Hunt for his continued service as Secretary / Treasurer. Sarah and Jeremy offer a wealth of knowledge and expertise, as well as varying perspectives and networks, so I could not ask for a better team to help us continue to offer the excellent opportunities, as CFL NATS has done in recent years. Morgan Davis will join us as webmaster and will ensure that our website is kept up-to-date!

I know that our CFL NATS members join me in thanking Kimberly Randall and Claire Hodge for their outstanding leadership and tireless efforts during the past four years as President and Vice-President, respectively. During their time in office, they have strengthened the foundation that was laid by Novie Greene, Pamela Hanson Peterson, and Edmund LeRoy in 1991, and have created countless opportunities for us and our students. Although Kimberly and Claire are certainly a "tough act to follow," I am so grateful for the work that they have done to set our chapter up for success as we move forward. I would also like to thank Thomas Potter for creating and maintaining the CFLNATS.org website, which, of course, is no small task, but has allowed us to become more connected as a chapter.

Please feel free to contact me if you have any questions or suggestions for possible future CFL NATS events. I look forward to working with all of you to make your NATS chapter serve you and your students!

All the best,

Advertising Upcoming Events: If you are hosting a vocal event that you would like to invite other CFL NATS members and their students to attend, please email Julia Foster (jfoster@rollins.edu) and she will forward that email to all chapter members. In addition to an email forward, your event will also automatically be placed on the Central Florida NATS facebook page as a facebook event. If you prefer, you may choose to "invite" Central Florida NATS to join your own facebook event so that you may provide more detailed information and an event photo. With this new development, we believe that our facebook page will serve as a central calendar for all upcoming area vocal events in which our members are involved. Don't forget to "like" us on facebook!

CFL NATS Website Member List: Our webmaster, Morgan Davis, will begin the yearly update to our online member list shortly, so please send any changes or additions to her at pmorgandavis@gmail.com as soon as possible. Only members that are current in national and chapter membership dues will be added and/or retained on the online listing. Please visit www.cfnats.org/current_members to see your profile or examples of other profiles.
